Arab Academy of Allergy
Asthma and Immunology

WELCOME TO EGACI 2026 INTERNATIONAL CONFERENCE ON ALLERGY AND IMMUNOTHERAPY

“Advancing Excellence in Allergy and Immunotherapy”

Dear colleagues

It is my great pleasure to welcome you to EGACI 2026 conference organized in collaboration with the Arab Academy of Allergy and Immunology.

I welcome you to join our community of allergists, immunologists, ENT specialists, pulmonologists, dermatologists, pediatricians and healthcare professionals committed to improving the lives of patients with allergic diseases.

Why This Conference Matters?

Allergic diseases continue to affect millions of patients worldwide, impacting quality of life across all age groups. From asthma, rhinitis, and dermatologic conditions, the field of allergy and immunotherapy is rapidly evolving with groundbreaking research, innovative therapies, and new clinical paradigms that are transforming how we diagnose and treat our patients.

This conference brings together leading experts, seasoned practitioners in the field to share knowledge, exchange ideas and explore the essential competencies that define excellence in allergy practice.

What Awaits You?

As a participant of our conference, you will :

- Learn the latest evidence-based approaches in asthma management, dermatologic conditions, pediatric allergy and ENT manifestations of allergic disease
- Enhance your clinical skills through interactive workshops, sessions and practical demonstrations of diagnostic techniques and treatment protocols
- Discover innovations in biologics, immunotherapy, diagnostic testing and personalized medicine approaches
- Strengthen your competency as an allergy specialist through comprehensive sessions designed to elevate clinical practice and improve patient outcomes

I wish you a great learning experience

Mohamed El-Itribi , MD

President EGACI

Asthma and Immunology

About EGACI

The Egyptian Society of Allergy & Clinical Immunotherapy (EGACI) is a non-profit organization (Registration number 1928 /2011)

EGACI is a professional organization of clinicians who are devoted to:

- Advancing the the science and practice of Allergy & Immunotherapy
- Training and educating clinicians in the field of Allergy
- Expanding both our understanding of Allergic illnesses and our ability to treat them

Our Values

Dedication, devotion, honesty and supreme care

Mission Statement

To disseminate knowledge to clinicians by:

- Presenting new scientific basic and clinical information about Allergy & Immunotherapy at our annual meetings.
- Promoting high standards of clinical practice.
- To promote research into the causes and treatment of Allergy
- Setting guidelines and assuring excellence in programs that train and educate physicians in Allergy and Immunotherapy
- Raising standards of practice.

EGACI Leadership

- Prof. Mohamed Ibrahim El Itribi, President

Board Members

- Prof. Sameh Salah Abbas El Morsy
- Prof. Alaa El Din Metwaly El Gazzar
- Prof. Samir Sorour
- Prof Mohamed El Shafae
- Prof Adel Grace Tawadros

International Affiliation

الأكاديمية العربية
للحساسية والربو والمناعة
Arab Academy of Allergy
Asthma and Immunology

EGACI is a founding member
of ArAAA

Conference Dates

25-26 June, 2026

EGACI 2026 - PROGRAM AT-A-GLANCE

25-26 JUNE, 2026 - CAIRO, EGYPT

DAY 1: THURSDAY 25 JUNE		DAY 2: FRIDAY 26 JUNE	
09:30-10:00	PRE-CONFERENCE: REGISTRATION & NETWORKING		
10:00-10:15	CONFERENCE OPENING: WELCOME MESSAGES & OVERVIEW		
1 10:15-11:00	SESSION 1: THE EVOLVING ALLERGY LANDSCAPE	8 10:00-12:00	SESSION 8: PEDIATRIC ALLERGY & ASTHMA PANEL
2 11:00-11:45	WORKSHOP MIDI DEVICE SELECTION & PATIENT EDUCATION	9 12:00-13:00	SESSION 9: FOOD ALLERGY & ANAPHYLAXIS
3 11:45-12:30	WORKSHOP: MASTERING ADULT SPIROMETRY	13:00-14:00	FRIDAY PRAYERS & COFFEE BREAK
4 12:30-13:15	WORKSHOP PEDIATRIC PULMONARY FUNCTION TESTING	10 14:00-15:00	SESSION 10: PEDIATRIC ALLERGIC DISEASES
5 13:15-14:30	SESSION 5 : DERMATOLOGICAL MANIFESTATIONS OF ALLERGY	11 15:00-15:20	SYMPOSIUM 11: SANOFI SYMPOSIUM: PRECISION IN TYPE 2 INFLAMMATION
14:30- 15:30	NETWORKING BREAK & EXHIBITION VISIT	12 15:20-15:40	SYMPOSIUM 12: ASTRAZENECA SYMPOSIUM: SEVERE ASTHMA CASE PRESENTATION
6 15:30-16:30	WORKSHOP MASTERING FeNO TESTING	13 15:40-17:00	SESSION 13: MASTERING ASTHMA ASTHMA DIAGNOSIS & MANAGEMENT
7 16:15-18:00	SESSION 7: PRACTICAL ENT APPROACH TO THE ALLERGIC AIRWAY	14 17:00-18:00	WORKSHOP 14: EGACI IMMUNOTHERAPY PRACTICE SETUP
18:00	DAY 1 CLOSING	18:00	CONFERENCE CLOSING & FAREWELL

EGACI 2026 :Where The Brightest Minds in Allergy & Immunotherapy Meet

EGACI 2026

ADVANCING EXCELLENCE IN ALLERGY AND IMMUNOTHERAPY

Scientific Program
Thursday 25 June, 2026

09:30-10:00 Registration 

10:00 Welcome Messages & Overview

Welcome to EGACI 2026: A Journey of Discovery. We gather to explore cutting-edge solutions for allergy and immune conditions.

Session 1: 10:15-11:00 The Evolving Allergy Landscape: From Pathogenesis to Next Generation Immunotherapy

Why are allergy rates rising so dramatically in the modern era? This opening session unpacks the complex immunological forces behind the allergy epidemic. It also addresses recent, critical innovations in immunotherapy.

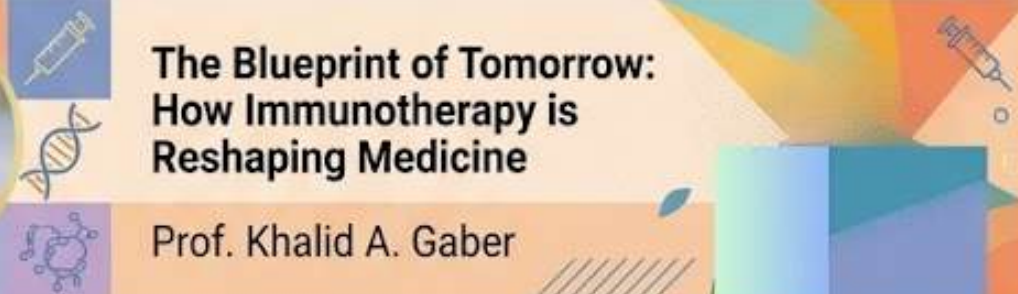

**Understanding the Allergy Epidemic:
Why are we all allergic?**

Prof. Mohamed Eletribi

**The Blueprint of Tomorrow:
How Immunotherapy is
Reshaping Medicine**

Prof. Khalid A. Gaber

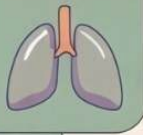

EGACI 2026

ADVANCING EXCELLENCE IN ALLERGY AND IMMUNOTHERAPY

Thursday 25 June, 2026

Session 2: 11:00-11:45 Understanding the Use of Inhalers and MDIs

MDI WORKSHOP: DEVICE SELECTION, SPACERS & PATIENT EDUCATION

Moderator: Dr Faten Emara

**WORKSHOP INSTRUCTOR
PROF. HALA GOUDA AL NADY**

LEARNING OBJECTIVES

- | | | | |
|---|--|--|--|
|  <p>IDENTIFY MDI & SPACER COMPONENTS
Recognize common components of a Metered Dose Inhaler (MDI) and a valved holding chamber (spacer).</p> |  <p>EXPLAIN RATIONALE FOR SPACER USE
Understand clinical reasons for using a spacer with an MDI.</p> |  <p>DEMONSTRATE MDI WITHOUT SPACER
Master proper technique without a spacer.</p> |  <p>IDENTIFY COMMON PATIENT ERRORS
Recognize common patient errors in MDI technique.</p> |
| <p>DIFFERENTIATE SPACER TYPES
Choose between spacer with a spacer and a facemask.</p> | <p>DEMONSTRATE MDI WITH SPACER
Master correct step-by-step technique for MDI with a spacer.</p> | <p>ASSESS INHALATION TECHNIQUE
Learn specific methods to assess a patient's inhalation technique.</p> | <p>ADDRESS CONCERNS
Overcome barriers regarding the use of spacers.</p> |

This workshop is organized by the Pulmonary Function Test Unit - National Research Center, Egypt

Thursday 25 June, 2026
Session 3 -11:45-12:30

SPIROMETRY FOR ADULTS WORKSHOP

LEADERSHIP

Prof Mohamed Galal

Prof Wafaa Ashour

Prof Heba Mousa

Prof Amira Ismail

Workshop Instructors

Dr Hussein Fayad

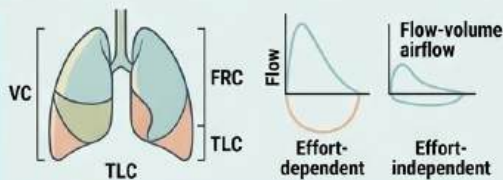

Dr Ahmed El-Komy

Learning Objectives

1. PHYSIOLOGICAL & TECHNICAL PRINCIPLES

Absolute contraindications

Absolute tests and contraindications

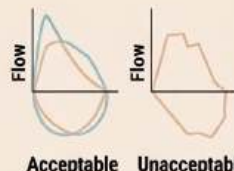

Relative contraindications

Relative relative contraindications

2. TEST VALIDATION (ATS/ERS STANDARDS)

Acceptability

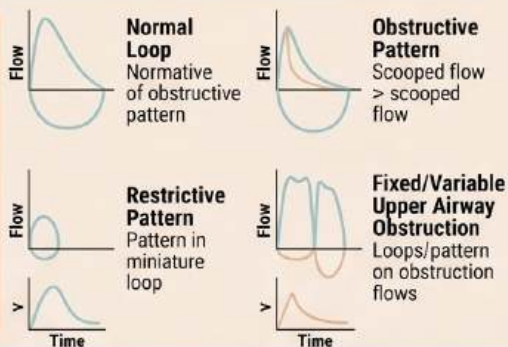

- No cough
- No glottis closure
- Good start

EOFE

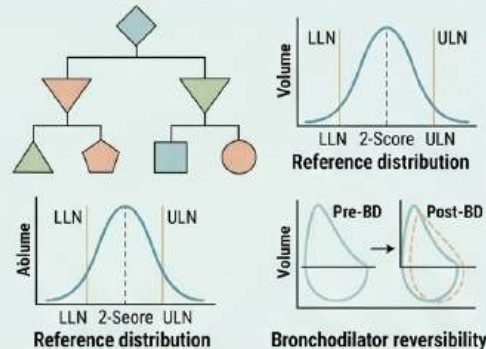

- Plateau or minimum minimum time

Repeatability criteria

3. GRAPHIC ANALYSIS & PATTERN RECOGNITION

4. CLINICAL INTERPRETATION & CLASSIFICATION

This workshop is organized in collaboration with the Asthma Unit of Chest Department, Kasr Al-Ainy Hospital under supervision of Prof. Mohamed Galal.

ADVANCING EXCELLENCE IN ALLERGY AND IMMUNOTHERAPY

Thursday 25 June, 2026

Session 4: 12:30- 13:15

MASTERING MODERN PULMONARY FUNCTION TESTING IN CHILDREN WORKSHOP

FACULTY

Prof Rania Nabil Sabry

Prof Amira Elrefay

A. Prof Hanan Atta

Dr. Dina Afify Zaki

Dr. Nermien
Mohamed Farid

LEARNING OBJECTIVES

IDENTIFY INDICATIONS AND TECHNIQUES FOR CHRONIC CONDITIONS

Determine when to initiate
Spirometry and IOS for
chronic respiratory conditions?

ENSURE QUALITY & VALIDITY

Recognize efforts for
"acceptable" and "repeatable"
maneuvers, including visual
inspection of flow-volume
loops

INTERPRET CORE PARAMETERS

Understand interpretation
of co data: FEV1, FVC, and
FEV1/FVC ratio. Also assess
airway resistance, reactance,
and small airway dysfunction in

TROUBLESHOOT COMMON ERRORS

Identify and correct
technical pitfalls e.g.,
(premature termination,
etc)

EGACI 2026

ADVANCING EXCELLENCE IN ALLERGY AND IMMUNOTHERAPY

Thursday 25 June, 2026

SESSION 5: 13:15-14:30 - DERMATOLOGICAL MANIFESTATIONS OF ALLERGY

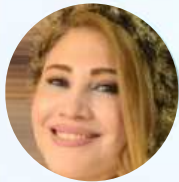

**Chronic Urticaria:
A Diagnosis and
Treatment Algorithm**

Prof. Hanan Nada

**Atopic Dermatitis:
From Pathophysiology
to Targeted Therapy**

Prof. Eman Sanad

**Contact Dermatitis:
Patch Testing and
Allergen Identification**

Prof. Heba Adly

**The Allergist's
Comprehensive
Approach to
Dermatological
Manifestations**

Prof. Mohamed Eletribi

**14:30 - 15:30 Coffee Break, Networking
& Visiting the Exhibition**

EGACI 2026 Sponsors & Exhibitors

NOVARTIS

Opella.

AstraZeneca

EGACI 2026

ADVANCING EXCELLENCE IN
ALLERGY AND IMMUNOTHERAPY

Thursday 25 June, 2026
Session 6 - 15:30 -16:15

FENO TESTING MASTERING FRACTIONAL EXHALED NITRIC OXIDE (FENO) AS A BIOMARKER FOR TYPE 2 AIRWAY INFLAMMATION Workshop Leadership

Prof Mohamed Galal

Prof Wafaa Ashour

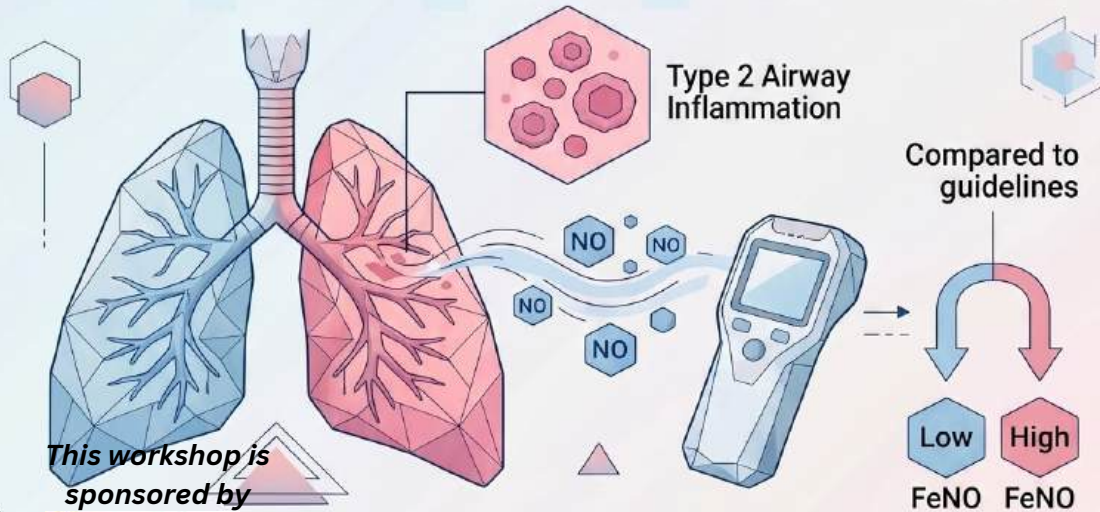

Prof Heba Mousa

Prof Amira Ismail

Dr Eman Ghanem

Learning Objectives

- 1-PRINCIPLES & BIOMARKER ROLE:** Understand FeNO measurement methodology and its application as a key biomarker for Type 2 inflammation.
- 2-CLINICAL INTERPRETATION & USE:** Apply FeNO results in accordance with established clinical guidelines for asthma diagnosis, management, and comparison with other biomarkers.
- 3-TREATMENT MONITORING & INFLUENCING FACTORS:** Use FeNO to monitor treatment response and recognize key clinical and environmental factors that influence results.

The FeNO Workshop is organized in collaboration with the Asthma Unit of Chest Department, Kasr Al-Ainy Hospital under the supervision of Prof. Mohamed Galal.

ADVANCING EXCELLENCE IN ALLERGY AND IMMUNOTHERAPY

Thursday 25 June, 2026

Session 7 16:15 - 18:00

The Allergic Upper Airway: A Practical ENT Approach

Session Moderators

Prof. Samir Sorour
Chairman ENT Section EGACI

Prof. M. A. Ghaffar

Prof. A. Shamshoun

• **Non-Allergic Rhinitis**
Prof. Hesham ElSersy

• **Allergic Rhinitis**
Prof. Reda Kamel

• **Chronic Rhinosinusitis with Nasal Polyps (Type 2 Inflammation)**
Prof. Ahmed Abdel Fattah

• **Chronic Rhinosinusitis without Nasal Polyps (Non-Type 2 Inflammation)**
Prof. Yasser El Beltagy

• **CT & Endoscopic Assessments in the Nose & PNS**
Prof. Tamer Oraby

• **Diagnosing & Managing Laryngopharyngeal Allergies**
Prof. Abdelaziz Belal

• **The ENT Allergist**
Prof. Mohamed Eletribi

INTELLI-SPORES™

My child puts everything in mouth!

IT HAPPENS.

Enterogermina's intelli-spores are there for them.

Enterogermina's intelli-spores with 100% gastric resistance contribute to the management of imbalance of intestinal microbiota. #EnterogerminalsThereForYou

EGACI 2026

ADVANCING EXCELLENCE IN ALLERGY AND IMMUNOTHERAPY

Friday 26 June, 2026

Session 8: 10:00 - 12:00

A Comprehensive Guide to Pediatric Allergy and Asthma

The Asthma Panel brings together leading experts to explore the evolving landscape of pediatric asthma management, from fundamental diagnosis to cutting-edge therapies.

Moderator: Prof. Tarek Hamed

• **Asthma Diagnosis**
Prof Nivine ElHelaly

• **Definition of Asthma Remission in Children**
Prof. Ashraf Salama

• **Navigating Difficult-to-Treat and Therapy Resistant Asthma**
Prof. Hala Hamdy

• **The Biologics Revolution: New Frontiers in Pediatric Asthma Treatment**
Prof. Nihal El Refai

• **A Comprehensive Guide to Modern Pediatric Inhalation Strategies**
Prof Hala Gouda Al Nady

EGACI 2026

ADVANCING EXCELLENCE IN
ALLERGY AND IMMUNOTHERAPY

Friday 26 June, 2026

PEDIATRIC ALLERGY - SESSION 9 (12:00 - 13:00)

- **Diagnosing and Managing Cow Milk Allergy Infants and Children**

Dr. Sally Gouda

- **From Mild to Life-Threatening: The Complete Spectrum of Food Allergy**

A. Prof. Lobna Al-Korashy

- **What's New in Anaphylaxis?**

Prof. Ghada Shosha

13:00 14:00 Friday Prayers & Coffee Break

PEDIATRIC ALLERGY - SESSION 10 (14:00 - 15:00)

- **Chronic Urticaria and Hereditary Angioedema**

Prof. Nesrine Radwan

- **TAKEDA Symposium: Pediatric Hereditary Angioedema (HAE): Takhzyro Brings Hope in Action.**

A. Prof. Lobna Al Korashy

- **The Allergic March: From Atopic Dermatitis to Asthma**

Dr. Roba El Gaweesh

- **Allergist's Strategic Approach to Pediatric Allergic Diseases**

Prof. Ahmed Yehia

EGACI
2026

FRIDAY 26 JUNE, 2026

SESSION 11 (15:00-15:20)

 **sanofi** SYMPOSIUM

THE PRECISION REVOLUTION
IN TYPE 2 INFLAMMATION

Prof. Rasha Youssef Shahin

SESSION 11
LEARNING OBJECTIVES:

- **IDENTIFY** key biomarkers in Type 2 inflammation.
- **DISCUSS** precision therapies for Type 2 disease.
- **EVALUATE** treatment efficacy based on phenotypes.
- **INTEGRATE** new precision approaches into practice.

FRIDAY 26 JUNE, 2026

SESSION 12 (15:20-15:40)

AstraZeneca 

ASTRAZENECA SYMPOSIUM
A CLINICAL CASE PRESENTATION
OF SEVERE ASTHMA
(MIXED PHENOTYPE)

Prof. Ahmed Bashir

SESSION 12
LEARNING OBJECTIVES:

- **ANALYZE** key findings in a complex severe asthma case.
- **DIFFERENTIATE** key characteristics of mixed asthma phenotypes.
- **OPTIMIZE** personalized therapy selection for mixed phenotypes.
- **APPLY** a multi-disciplinary approach to severe asthma care.

EGACI 2026

ADVANCING EXCELLENCE IN ALLERGY AND IMMUNOTHERAPY

Friday 26 June, 2026

Session 13 15:40 - 17:00

Mastering the Allergic Airway: Diagnosis and Management of Asthma

MODERATORS

Prof. Medhat A. Soliman

Prof. Souad H. Elhafi

Prof. Alaa Metwaly

Dr. Ayoub M. Alshaikhy

- **GINA Guidelines**
Prof. Mohamed Metwaly

- **Common Diagnostic Pitfalls. When Asthma is Not Asthma**
Prof. Mostafa Ragab

- **Advanced Diagnostic Tools in Respiratory Allergy**
Prof. Ahmed Yousef

- **Biologics: A Precision Medicine Framework for the Allergist**
Prof. Ahmed Beshir

- **Severe Asthma Case Discussions**
Prof. Mohamed Hantera

- **The Allergist's Mastery of Respiratory Allergic Diseases**
Prof. Mohamed Eletribi

Friday 26 June, 2026

Session 14 - 17:00 -18:00

INSTRUCTORS

Prof. M. Eletribi

Prof. Ahmed Al Bousify

Prof. Ghada Shousha

Dr. Ali Belkheir

Dr. M. Gohar

1 PATIENT EVALUATION & ALLERGEN SELECTION

Comprehensive patient assessment using allergy test findings to design personalized therapy plans.

2 MIXING & DILUTING EXTRACTS

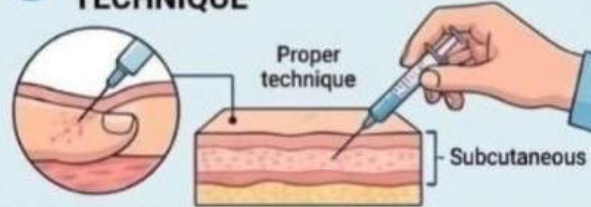

Step-by-step techniques for mixing individualized allergen mixtures with correct dilution ratios.

3 DOSE CALCULATION & VIAL PREPARATION

Formulating precise dosage schedules and preparing therapeutic vials for each phase.

4 SUBCUTANEOUS INJECTION TECHNIQUE

Mastering safe and effective methods for Subcutaneous Immunotherapy (SCIT) administration.

5 DOSE ADVANCEMENT PROTOCOLS

Implementing structured and safe protocols for gradually increasing allergen doses.

6 REACTION RECOGNITION & TREATMENT

Training to quickly identify and effectively manage systemic allergic reactions.

7 SETTING UP AN IMMUNOTHERAPY PRACTICE

Establishing efficient clinic workflows and managing necessary infrastructure for immunotherapy.

8 PATIENT EDUCATION & ADHERENCE

Developing clear communication and strategies to ensure long-term patient commitment and success.

EGACI 2026 Medical Exhibition

EGACI 2026 medical exhibition is the innovation engine of the conference, offering participants several high-impact benefits:

- **Test Next-Gen Diagnostics:** Assess cutting-edge tools to keep your practice at the forefront of precision medicine.
- **Network with Industry Experts:** Engage directly with the industry representatives to dissect recent innovations
- **Discover new therapies offered by Pharmaceuticals**
- **Elevate Patient Care:** Return to your clinic equipped with the advanced science and technology needed to deliver highly personalized, state-of-the-art care.
